

SWAMPSCOTT PUBLIC SCHOOLS
FULL DAY KINDERGARTEN SURVEY
SPRING 2006

Dear Parent/Guardian:

Currently, the Swampscott Public Schools has a two-thirds kindergarten program, where children attend school on weekdays for three hours and thirty minutes per day.

A proposal is being considered to change Swampscott's kindergarten program to a full day program, where children would attend a full six- hour school day. The program will be funded through the Swampscott Public Schools' budget.

Full day kindergarten allows children and teachers time to explore topics in depth. It also provides for greater continuity of day-to-day activities. In addition, full day kindergarten offers an environment that favors a child-centered, developmentally appropriate approach. This will result in a curriculum rich in both social and academic learning.

Kindly take a few minutes to answer the survey. Place your completed survey in the enclosed envelope and return it to your child's teacher by Monday, May 8th. Your input is extremely important. Thank you in advance for your participation.

If you have any questions, please feel free to contact (Brenda Cassidy 718-596-8835, Lois Longin 781-5968847, or Carolyn Murphy 781-596-8812).

Sincerely,

The Swampscott Kindergarten Task Force
